FROM THE *Director Principal's Desk*

I am proud to offer the Cambridge Curriculum to our students. Our school is committed to providing our students with a comprehensive and well-rounded education that prepares them for the challenges of a rapidly changing global society. We believe that the Cambridge Curriculum offers an excellent opportunity for our students to develop essential skills and knowledge, while also fostering a love of learning and a commitment to excellence. With its wide range of qualifications and recognition by universities and employers worldwide, the Cambridge Curriculum provides students with the knowledge and skills needed to succeed in today's world.

Visit by Cambridge International Education (CIE) Team

A team of Cambridge International Education (CIE) visited Seth Anandram Jaipuria School, Vasundhara, Ghaziabad, to assess its readiness for implementing the Cambridge Primary curriculum in the coming academic session 2023-24. The team consisted of Mr Rod Smith, Managing Director, International Education, and Mr Mahesh Shrivastava, Regional Director, South Asia, CIE, among others. They met the school representatives, led by Mr. Shishir Jaipuria.

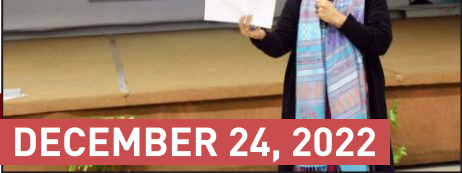

THING TO KNOW

- The University of Cambridge is one of the most prestigious universities in the world. Founded in 1209, the university is the 2nd oldest in the world and the 4th oldest surviving university.
- The University of Cambridge unfailingly ranks one of the top 5 universities in the world as well as in the UK since the early 2000s.
- Cambridge is a trusted education partner for governments around the world. In some countries, such as Singapore and Mauritius, they support the work of national education authorities to provide national assessments for learners in secondary schools. In other countries, such as Kazakhstan and Bahrain, the Cambridge Partnership for Education works with governments to help them transform their societies through education.
