

It gives me great delight to see and share the progress of our newly launched Cambridge Curriculum. Our endeavor to develop essential skills and knowledge is taking shape with concerted and dedicated efforts of the faculty members who have ensured that the student's day is filled with immersive learning and fun. The happy and smiling faces of our students are testimony to the fruitful engagement between them and their mentors. I would like to personally thank the parents for their appreciations and feedback which have been very encouraging. Our quest and commitment to excellence will surely bear excellent results.

SCHOOL TOUR OF CAMBRIDGE ENROLLED PARENTS

DONE BY MS. DHWANI JAIPURIA

On Saturday, 1 April 2023 Ms. Dhvani Jaipuria addressed the parents and accompanied them along with the Director Principal, Vice Principal and Headmistress for a Cambridge infrastructural tour. While introducing them to the Cambridge wing she shared her thought process and idea behind the structural set up. The classrooms looked inviting with state of the art furniture and technological advancements, along with recreational and personal learning spaces. She was delighted to share with the parents her beliefs about the importance of collaboration, creativity and being well read. The central area of the Cambridge Primary wing has an open library, collaborative and creative zones that put her thoughts into action. The education under Cambridge Curriculum not only facilitates the best international practices but also develops the child into a confident, responsible, reflective, innovative and engaged learner. The infrastructural set up ensures the effective implementation of best international educational practices.

Parents were taking initiative enthusiastically to get familiar with the rejuvenated setting of the Cambridge Curriculum. The faculty of Cambridge was highly excited to be part of it and to embark on the very first session of Cambridge Curriculum.

THE FIRST DAY OF CAMBRIDGE INTERNATIONAL CURRICULUM

Wednesday, 12 April, 2023 the start of the school year seemed more overwhelming than ever before, as it marked the beginning of the newly introduced Cambridge Curriculum at SAJSVG. One could observe the feelings of excitement and joy, among the students, parents, and teachers.

The first day back in the classroom was unusual and emotional for both students and teachers. The students were greeted by Director Principal Ms. Shalini Nambiar and Head mistress Cambridge Curriculum Ms. Sharayu Paralikar at the gate. The morning was filled with laughter, joy, music and dance. Lot of fun activities were conducted by the teachers which were thoughtfully designed to acclimatize the learners for active and experiential learning. The day marked a foundation for a positive bond between the teachers and the students and set the tone for the year to come.

PARENT

ORIENTATION OF CAMBRIDGE INTERNATIONAL CURRICULUM

SAJSVG Organised Orientation Programme to familiarize Parents as "partners in child progress" to acquaint them with ethos and culture of the school. The programme commenced with a welcome by Director Principal, Ms. Shalini Nambiar, followed by insight into school rules by Vice Principal Ms. Chetna Sehgal and Headmistress Ms. Sharayu Paralikar who laid stress on effective communication between the teachers and the parents. The programme embodied several interactive and engaging activities for the parents by teachers, that helped parents experience the teaching methodologies and student centred learning.

After the orientation, the parents were led to refreshments. Response from the parents was overwhelming.
