

SETH ANANDRAM JAIPURIA SCHOOL  
VASUNDHARA GHAZIABAD  
CIRCULAR No. 240

Dear Parent

Dt. 29.2.2020

**Congratulations as your ward moves towards another promising new academic year 2020-2021.**

For the upcoming session we would like to apprise you about a few changes & new interventions that the school has planned to bring about for the progressive learning of the students.

In the past session, as you all are aware, there were a number of unprecedented holidays declared by the local administration due to high pollution levels, kanwar, severe weather conditions etc. This led to the disruption of studies & reduced the number of working days i.e. less than 200 working days which is mandatory by CBSE. The teachers, as well as , the students struggled with the steady completion of syllabus throughout the year.

Keeping this in mind & for the smooth conduction of academics, the school has planned to keep the 1st & 3rd Saturdays working for students from classes I – XII in the upcoming session, except on the days of PTM's as mentioned in the almanac.

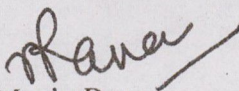

The school with the holistic view of education, believes in engaging students in myriad activities like educational trips, workshops on theatre in education, visits to historical monuments/museums /national parks, film shows, Multiple Intelligence Camps, Career Counseling workshops etc. offer a structured opportunity for children to grow, become confident, gain interpersonal skills, as well as, provide experiential learning. These activities commence from the beginning of the session & go on year round for the children who have opted for Optional Fee Component.

Though, not mandatory, but it is highly recommended that students participate in these initiatives of the school as they play an instrumental role in their all round development.

Furthermore, the school is in the process of rolling out a homework policy for classes I to VIII to ease out the burden of the students & enable that children get enough time for other activities. Details for the same will be shared with you shortly.

The School has built an outstanding reputation for achieving excellent academic results & is committed towards igniting the spark of creativity & curiosity in our students. The foundation of this lies in the cooperation between the students, teachers & the parents.

I wish you all a very wonderful year ahead.

  
Manju Rana  
(Principal cum Director)
